PROFILE

Computer Science graduate skilled in SQL, Python, Excel, and Power BI, with hands-on experience in data analysis, dashboard creation, and exploratory data analysis (EDA). Built interactive dashboards and performed business data analysis to uncover insights for decision-making. Strong problem solver with teamwork and communication skills.

SKILLS

Technical Skills

- Programming Languages: Python
- Tools: Power BI, MS Excel
- Database: SQL

Soft Skills

- Teamwork
- Problem Solving
- Communication

EXPERIENCE

Data Science Intern, Rubixe Pvt. Ltd. | 02/2025 - 08/2025

- Worked on real-world data science projects involving data preprocessing, model building, and result.
- Assisted in developing predictive models using Python, pandas, scikit-learn, and visualization libraries.
- Gained experience in exploratory data analysis (EDA), model evaluation, and deployment fundamentals.
- Collaborated with the team to prepare documentation and present insights to stakeholders.

PROJECTS

Movie Recommendation System 📄

- Built a content-based movie recommendation system using CountVectorizer and cosine similarity.
- Created movie tags from metadata (genres, overview, cast, crew).
- Implemented NLP preprocessing and vectorization for feature extraction.
- Generated top-10 similar movie recommendations using similarity scoring.
- Deployed system using stored vector matrices for fast and scalable retrieval.

E-Commerce Sales Analysis & Business Dashboard (Power BI, SQL) 📄

- Analyzed e-commerce sales data to uncover trends, customer behavior, and product performance.
- Created interactive dashboards using Power BI with slicers, filters, and dynamic visuals.
- Leveraged Power Query to consolidate and cleanse e-commerce sales data from 3 disparate sources; enhanced data accuracy by 15% and reduced reporting errors to nearly zero.
- Visualized KPIs like total sales, profit margins, top-selling products, and regional performance.
- Enabled data-driven decisions through intuitive and real-time dashboards.

EDUCATION

BTech (Computer Engineering), Sandip University(Nashik) 2022 – 2025
Sandip University -- CGPA: 7.65

DIPLOMA (Computer Technology), S.H.H.J.B Polytechnic(Chandwad) 2019 – 2022
MSBTE -- Percentage: 74.23%

COURSES

Data Science Certification Course, Datamites Global Institute, Pune 01/2025 – 05/2025

- Gained hands-on experience in Python, Machine Learning, SQL, and Power BI.
- Learned data preprocessing, model building, evaluation, and visualization techniques.
- Worked on real-time datasets to apply core data science concepts.

LANGUAGES

- English
- Hindi
- Marathi

CURRICULAR ACTIVITIES

- Participated in technical and academic activities organized by the department.
- Certified With Side-Infotech Workshop in Software Testing.
